

NAYA NATURE

Connecting Children with their (own) nature

Nature-based education that helps children grow

Out-of-school nature-based education aimed at developing the child as a whole.

3 broad age groups to foster enrichment, openness and learning.

2 formulas: let your child experiment nature in a Kids-only group, or on a one-to-one Family time - with you!

	2-4 yrs	4-7 yrs	8-12 yrs		4-7 yrs	8-12 yrs
FAMILY TIME	MINI BUFFALO	MARMOSET	COYOTE	KIDS-ONLY	ACHACHAK	NAYA

Naya Nature offers a complete and exciting curriculum, designed to connect children with nature. Through play and experiments, they will engage and learn in diverse areas:

Monthly enrichment programmes with selected experts, to develop children's sense of self and their connections: yoga, botanic, communication, acting and many more!

We are nature-passionate and education-professionals. We work closely with a team of Nature connection leaders to provide children with the best connection to nature. We will happily share our enthusiasm. Contact us anytime!
