

Explore . Wonder . Connect to Life

MARMOSET #2 – 2019-2020

Parent-Child classes – 1 to 7 Y/O

1 child +
1 parent

NATURE MEDIATOR

Yamit

"I believe that Nature is the best playground for children of all ages!"

GARDENING
throughout the year!

WAKE UP NATURE
CELEBRATION!
Apr. 4th

1 COLOUR THE WORLD

- Did you know that the shades of colour that our eyes can see best are the green ones? From plants to animals, nature reveals incredible **chromatic strategies!** Let's investigate!.....
- And you, will you be able to create **your own colour palette?**

2 SURRENDER TO THE WIND

- "If You Surrender to the Wind, You Can Ride It..." (Tony Morrison)
- How can we see and feel the wind? **How to draw the sounds of the wind?...**
- Discover a **fantastic tale** and fly away with the best friends of the winds.

3 ECO- SQUAD'S MISSION

- Choose and develop an environmental protection project. **Act for your NatureHood!**
- Mission Achieved!

4 TREASURE HUNTER'S TRAINING

- Observe, orientate and become the best treasure hunter!
- **Pass your Treasure hunter certification in team!**

5 WHEN YOU WERE A CHILD

- 20, 35 or 50 years ago, a little child was having fun in the wild...
- What was he playing at? What were his secrets? **How about sharing a real part of your childhood with your child?**
- **You're 6 years old again!**

MARMOSET #2 – 2019-2020
Parent-Child classes – 1 to 7 Y/O

Communication is a big part of this programme, inspired by Marmosets' intense social life. Marmosets by nature are agile and creative. They love bonding and spending time with each other. They **will cooperate** and learn about **local botany, discover wildcrafting** with tree shadows, **taste their own harvest, and engage in dramatic play**. Children and parents will be **immersed in the natural world**, an outstanding way to really **understand causes and consequences of natural phenomena**. Join us on Saturdays for an outdoor family adventure full of bonding experiences !

All sessions are led in English by our Nature Mediators. Once a month, experts will lead the session, as scheduled in the enrichment programme.

Educational Objectives: focus for 1 -7 Y/O

Balance ENERGY
-body-
agility
& use of senses

Develop EMPATHY
-emotions-
feelings,
respect
& cooperation

Preserve CREATIVITY
-mind-
autonomy,
imagination
& problem solving

Understand SYNERGY
-living-
proactiveness,
citizenship
& sense of wonder

Areas of Learning
